Carol,

Well this is going to be one of the hardest things I'll ever have to do. Saying good-bye to a great person like you could never be easy. I sincerely hope our friendship doesn't end with the close of school. I'll never forget you or all the many good times we have spent together.

I know you'll never forget little Oogah and our many trips to Forest Grove and various other little jonts.

Congratulations on being editor of the newspaper next year, you really deserve it and many other things.

As you know it was, and still is, pretty hard for me to give up Amicidia. Well ~~it~~ believe it or not, by your becoming President I know it's in good hands and it is one heck of a lot easier for me. I am so very happy for you. I was terribly honored to be President and I'm sure you are too. Please wear my President's guard, that way I'll feel I still have a little something to do with it. Good luck at Youth & Government next year, I'm sure the bill will pass with you behind it.

Carol the only other thing I have left to say is ; I sincerely wish you the absolute

WE DEDICATE . . .

We, the students of Oregon City High School, dedicate this book, our 1963 Hesperian, to Mr. Roy E. Sawyer. Mr. Sawyer has opened the door of mathematics to multitudes of students, many of whom might, one day become the leading mathematicians of our nation. Mr. Sawyer often has been seen at the ticket window of our many

sports events. He has been known to face any emergency which has arisen without a measure of hesitance. Mr. Sawyer has been one of our most valuable teachers at Oregon City, and we appreciate his contributions to the accomplishments of our school.

Student Council has played a major role in making 1962-63 an overwhelmingly successful year. The many activities it has sponsored and the many goals it has accomplished have inspired the students of O.C.H.S. to work untiringly toward the betterment of student actions. The poster competition between the classes to create school spirit during football season was a project of the Student Council. The Council was very busy during Football Homecoming week organizing the half-time coronation activities and a coffee hour following the game in honor of O.C. Alumni. Working as an evaluation committee, the Council has discussed the school-sponsored activities.

AFS FROM ITALY

I am sure I lived and I am living now the most important and the best experience of my life. I was looking forward to my leaving, I wished to know how American people are but it was very difficult for me to leave my family, my friends,

my country and I was also much afraid of all the new things I was going to meet. The kindness, the love of my new family helped me very much to get over the first difficult days. But now I am very happy to be here, I like Americans, I like Oregon City, my friends, my school and I am sure this country'll be for me like my own country and when I'll remember this year I'll think of it as a wonderful period of my life.

Maria Luisa, Palmina, Tommaso, Limonetta Garassino

AFS TO ITALY

When a student leaves his homeland and enters into a country with entirely different customs, he naturally questions his ability to adjust to his new environment.

I was very fortunate to be placed as an exchange student in a very loving, understanding, and typically Italian family.

any problem of adjusting was minimized greatly as it was smoothed over by the tender kindness I was given.

The profits gained by such an experience are endless.

Not only does

the exchange student benefit but also, the "student-abroad" program adds greatly to the promotion of world peace as it brings people of many countries together into one big happy family.

The American Field Service.

My Italian sister, Bice Cerami.

My Italian parents, Mr. and Mrs. Ignazio Cerami, and myself.

ORGANIZATIONS

CAROL--

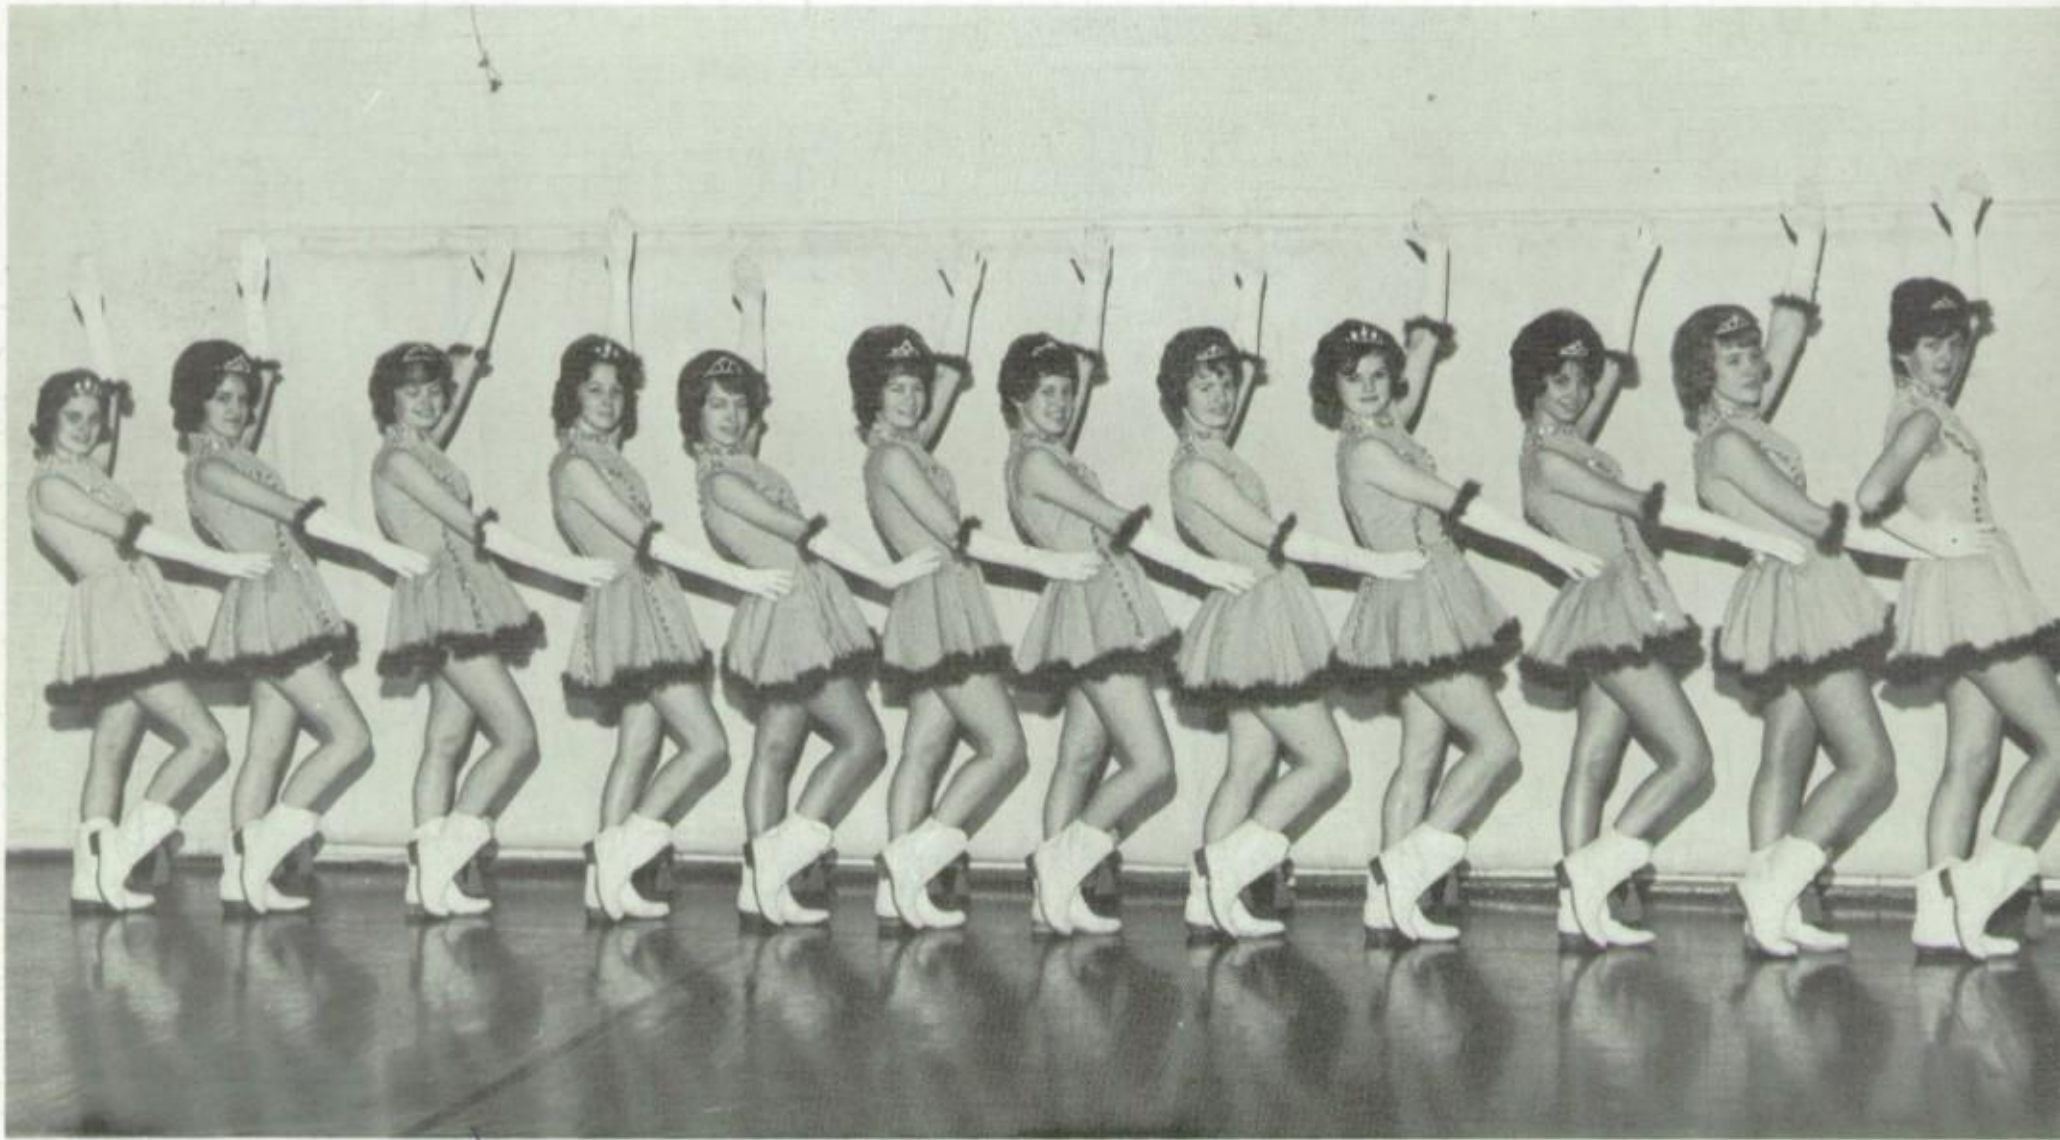

This year has gone so fast, and it seems we've lasted out again as friends -- no matter "what" happened.

I have really had fun ^{and} and I think things have pretty well worked out for both of us!

Sumptions room has really been fun. Gary and Bill and Dennis were really a riot. Doug was kinda funny too most the time. I wish I was gonna take Spanish III, but I'm not that smart. I hope that Dick Elliot and you get to gether this summer. That could be the good scene. Maybe.....

This summer you can go to Detroit with us again and we can go "swimming" again like we did -- only this year we had better wait until its dark. I hope we have lots of fun this summer, but with that job -- I don't know. I'll get my license so when Don comes home we can go rodding. (///)

FUTURE TEACHERS OF AMERICA

The Future Teachers of America Club stepped into the spotlight in 1962-63 when it successfully combined activities relating to both the present and the future.

As students of the present, the club members introduced such events to Oregon City Senior High School as the Donkey-Basketball Court and Game, and the Spring Sports Dance, not to mention the dance the club sponsored during football season.

As teachers of the future, the club members presented the annual F.T.A. Teacher-Student Banquet to which each future teacher invited a member of the faculty. The club members also listened to teachers from grade schools and colleges relate personal experiences in the classroom.

Pleasure and business were favorably combined in F.T.A. to project a picture of constant activity and service to the school.

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America Club enjoyed a very prosperous year in 1962-63. It was successful in State Convention activities, and two members of the Oregon City chapter were chosen to be the State President and the State Vice-President and to travel to Cincinnati, Ohio, to the National Convention. In addition, our State Vice-President was elected as a National officer.

Throughout the school year, the club members were constantly busy planning activities to promote relations between the business leaders of today and those of tomorrow. The club sponsored a banquet in which Oregon City businessmen were invited as guests of the club members. In addition, the club has invited businessmen to speak at various meetings in which methods of business were discussed.

The F.B.L.A. club also took an active interest in student body affairs and sponsored the Basketball Homecoming Dance.

BOYS' LEAGUE

From left to right: Treasurer Bill Osborn, Advisor Mr. Les Adkins, Secretary Kevin Braker, President Mike Adams, Vice-President Brian

O'Rourke, Junior Representative Boyd Hansen, Sophomore Representative Les Hammack. Not pictured, Senior Representative Tim Jones.

After a lapse of two school years, a Boys' League was once again organized at Oregon City Senior High School. Under the guidance of a new constitution and seven executive council members to carry it out, the League has sponsored many and varied activities that have been enjoyed by boys and girls alike. From the first meeting, a definite interest was demonstrated by the student body.

It is believed that this new organization has successfully passed through the difficult stage, that of organization. Through the leadership of an efficient executive council, the Boys' League has added greatly to the accomplishments of the school year of 1962-63.

GIRLS' LEAGUE

ROW 1: President Sharon Toman, Vice-President Judi Jones, Second Vice-President Theresa Schwahn, Treasurer Kathie White. ROW 2: Advisor Mrs. Martha Dana, Junior Girls' Representative Karen Minor,

Song Leader Vicki Muno, Senior Girls' Representative Kay Wallace, Assistant Advisor Miss Sandra Hope.

One of the busiest organizations in the school during the past year has been the Girls' League which has sponsored numerous activities in an effort to unite the girls of the student body. The first activity that the League sponsored was the Big-Little Sister Program to acquaint the senior girls with the sophomore girls. Soon after this activity, the girls from all of the classes worked closely together to produce an effective Thanksgiving Assembly and an unforgettable Christmas Dance.

Not only did Girls' League help to bring the girls of the student body together but also it provided opportunities for the girls to become closer to their mothers and fathers through such activities as the Mother-Daughter Tea and the Father-Daughter Banquet.

Under the excellent leadership of the Girls' League Council, the organization has become greatly respected and admired.

"She can have her picture taken now."

The goal of this year's HESPERIAN staff has been to produce a book worthy of representing the school year 1962-1963 at Oregon City High School. To keep up with the rapid pace set by active Oregon City students has not been easy. However, we hope we have been successful in our attempt to picture and explain the many accomplishments of this busy year.

The superb acting on the part of the cast and the apparent cooperation on the part of all concerned has brought much in the way of favorable criticism to the halls of Oregon City High School and has confirmed the belief that Oregon City has accomplished much in the field of drama in the year 1962-63.
